

All SMGA Members,

In September , Mike Roddy informed me by email, that all leagues will have a change to the Chelsea Point system starting November1. He stated that SB1 Golf Management and SB1 Golf Committee found that the current policy of removing points on league play created an unfair playing field for golfers who are not members of any golf league. In essence, no change will occur to your weekly course scheduling and tee time allotment. The only change will be that our league players will now receive Chelsea points, even when they play in league affiliated events.

I'm sure not all members are going to like this decision. I have been notified by only one member with his concerns. At the next board meeting ,we will discuss our options. If any changes ,I will relay them to you all.

If you have any concerns, you can contact Mike Roddy, Director of Golf and Grounds.

Thanks for your Attention to this Change

John Morales

SMGA President
