

Gentlemen,

This is my last message as your President. Beginning tomorrow my good friend Forrest Urban will take on that responsibility - please join me in wishing him well in the coming year, he has a great Board to work with so we are all in good hands going forward.

I want to thank you for giving me the opportunity to serve you for the last two years as your President. I have been humbled on a daily basis by the extra effort that our volunteers give for our organization. My sincere thank you to all of these men.

I also want to thank the Professional Golf Staff. Their dedication and efforts make our golf experience one of the best in Arizona!! They made my job sooooo much easier.

So, gentlemen, Happy New Year!! I look forward to continuing to serve in a different capacity next year.

Terry Edwards
